SERIOUS IN CAMDEN

Public Meetings Prohibited. Norristown and Lancaster Hard Hit

Fifty physicians will be sent at once into South Philadelphia under the direction of Doctor Krusen, of the Department of Health, to combat the Spanish influenza epidemic, the worst that section of the city has had in fifty years. The expense of the battle against the disease will be defrayed with the emergency war fund, of which \$25,000 remains available.

Soup kitchens will be established in all sections of the district by the Emergency Aid to feed poor families ishment as a result of the epidemic.

The Emergency Aid also has asked for volunteers to act as nurses, to see that the families are cared for, and to and attend babies of stricken

Charles Scott, chairman of the Fennsylvania and Delaware division of the
Red Cross, received a telegram today
from Surgeon General Blue, in Washington, requesting the Red Cross to
co-operate in the fight against the epidemic. The Red Cross will provide
nurses and emergency supplies when
requested to do so by local authorities.
The Red Cross has set aside \$575,000

Senators Assert Suffrage Speech Reveals President's Decision

WORLD REBUILDING PURPOSE IN OFFICE

League of Nations Will Need His Guiding Hand Leaders Say

NO 'SWAPPING HORSES'

Friends Anxious That American Chief Retain His Position as World Force

By CLINTON W. GILBERT

Washington, Oct. 2

It can be said with the utmost post tiveness that President Wilson is now a candidate for renomination. He and his friends have made up their minds that the national emergency to fol low the war will compel film to seek diately after this war is over, as would have been to have made a sther man than Lincoln Preside when his first term ended and

Civil War was still on ed with them in reaching this c clusion are these which were vanced in a recent dispatch in correspondence on the subject of construction. When must be reconstructor, they say, not merely this country, but, in a degree, of tworld. The League of Nations.

War's End Is Near

Mr. Wilson's purpose is well understood among Democratic politicians in this city. It may change before the time comes for making comina-tions in 1929. Ambitions that elate from two years ahead of nominating conventions often disappear before the delegates assemble. But in this case Great Lakes Naval Contingent to the future can be foreseen with reasonable certainty. The way is likely to end within the next few mouths.

The band is composed of the frained musicians and is touring the country in the interests of the Fourth Liberty loan, the interests of the Fourth Liberty loan, the world over, back to a normal back liberty will begin. It will be almost as delighed for New Foreigned.

will begin. It will be almost us deli-cate and as grave a task as the con-duct of the war. Reconstruction for Prince of the war. Reconstruction for Druggists is the downtown section of Philadelphia were awamped with Spanish influenza prescriptions today.

A special train of eight coaches, including sleepers, dining cars and hag cars carries the band on this trip, the special train of eight coaches, including sleepers, dining cars and hag cars carries the band on this trip, and they have appealed to the Bureau Lean campaign is over.

Pilot of Lengue of Nations

Mr. Wilson has been the leader of the world in looking toward international organization. If the league of nations is formed he will naturally be rejuctant Trenton, N. J., Oct. 2.—Today is farmers day at the Interstate fair, and thousands of agriculturies have taken the day off to attend the fair with their families. Many arrived at the grounds in high-priced automobiles, indicating prosperity of some of them at least. The midway was crowded early in the day and the side-shows were well patronized. Hundreds found interesting exhibits in the various exhibition buildings.

Tomorrow "Big Thursday," or "Politicians" Day, will attract, it is believed, great crowds to see the political celebrities of the State. Governor Edge and United States Senators Baird and Freiting of the State Governor Edge and United States Senators Baird and Freiting of the States Governor Edge and United States Senators Baird and Freiting of the confederated induvern will probably be present as

Hurley Asks \$484,000,000 for Moreover, on this side of reconstruction, it is argued by the President's friends, that the war organization he has created will be the best machinery for reconstruction.
